

16.11.2023

**Subject: Official Statement on compliance with sanctions under Regulation (EU) No 833/2014, as last adjusted by Regulation (EU) No 2023/1214, in specific with section 3g on steel products**

Dear Sir or Madam

In connection with Regulation (EU) No. 2023/1214, which has recently made changes in different areas, including passage 3g, we, EMKA Beschlagteile GmbH & Co. KG, would like to make an official statement.

We confirm that our company is fully compliant with the current provisions of Regulation (EU) No 2023/1214, in specific with regard to Passage 3g. Our steel products and related business activities comply with all requirements of this passage.

EMKA Beschlagteile GmbH & Co. KG attaches great importance to compliance with all legal requirements and international regulations. Our internal control mechanisms and compliance procedures have been adapted accordingly to ensure that there are no violations of the aforementioned regulation.

We always strive to maintain the highest standards of ethical business conduct and are available for any queries or further information. Your cooperation and trust in our compliance with the current legal requirements are particularly important to us.

Kind regards
